

CEPHE SİSTEMLERİ  
**SKY 52 - 90**

Skylight sistemidir. Çelik üzerine monte edilir. PVC izolatörleri sayesinde yüksek ısı yalıtım ve hava-su geçirimsizliği performansı sunar.

Epdm contalar birbirinin üzerine geçerek oluşturulan sistemde su alma riski ortadan kaldırılmıştır.

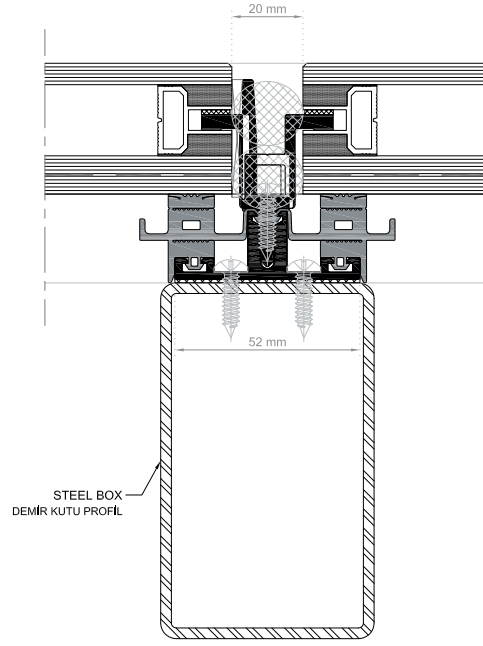

*It's a skylight system mounted on the steel. Thanks to the PVC isolators, it provides better performance at thermal insulation and water tightness.*

*The system is generated by overlapped EPDM gaskets which eliminates water flooding.*
